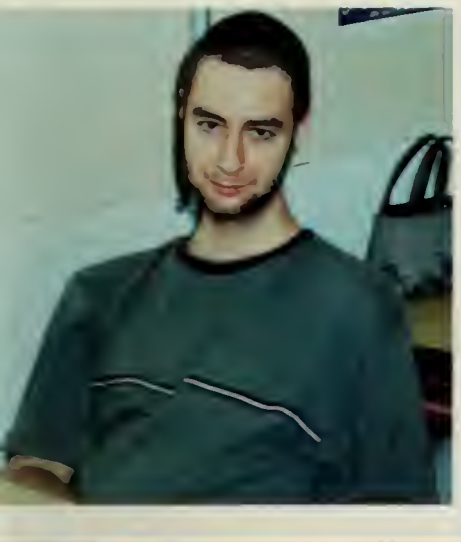
Volume 63

So we talked all night about the rest of our lives

Where we're gonna be when we turn 25?

I keep thinking times will never change



Keep on thinking things will always be the same

But when we leave this year we won't be coming back

No more hanging out cause we're on a different track

SATURDAY

We're moving on and we can't slow down

These memories are playing like a film without sound

As we go on, we remember all the time we had together

As our lives change come whatever we will still be friends forever

Dedication

Each year the senior class dedicates its yearbook to a very deserving individual. This year is no exception. This person is not only an outstanding teacher, but he is also a great husband, parent, and friend. Mr. Robert Clifford graduated from the "school on the hill" in 1966. He then went to Brown University, where he played hockey. After graduating from Brown in 1970, he came back to Norwood High as a substitute algebra and chemistry teacher and later went on to be a full-time history teacher. He has been married to his wife, Paula, since 1974, and has two children, Rob and Katherine. In 1981, Mr. Clifford became the yearbook advisor. In his twentieth year of editing the yearbook, we thought it was time to dedicate this one to him. Over the years he has spent countless hours trying to make each yearbook the best ever. Thanks to him we will have vivid memories of our high school years. Together, we the TIOT editors join the rest of the Class of 2001 in thanking Mr. Clifford for all of his hard work and devotion.

The Class of 2001 would like to express our appreciation to the Dean of our class, Mrs. Paula DeCoste. Her steady leadership over our four years at the school has guided us through thick and thin; her steady leadership and her caring concern have helped to pull our class together. As we now leave to go down different paths, we will not forget her, nor the positive effect she has had on each of us.

One addition to the staff that joined us appeared in the computer room. Mrs. Reen helped many of us through our "senior write-ups" or a number of individual frustrations that occur in that room. Yet it was her smiling face and her helpful attitude that we will remember most. Nothing was "not important enough" or too repetitive to receive anything but her full attention. We thank you.

During our four years at Norwood High School, we have seen a tremendous growth in the quality and the interest in the Drama program. Mr. John Quinn has brought an enthusiasm and attention to detail to improve the program to a point where many of his students now are moving on to higher education in this field. Performances such as The Tempest and The Sound of Music were very successful, as was the one-acts drama festival. We know the work that must be done to perform these, and thank Mr. Quinn for his leadership.

The Class of 2001 has enjoyed watching the improvement of the choral music program over our four years. This is a tribute to the energy and commitment to excellence of Mrs. Catherine Conner-Moen. Under her leadership, different choral groups have appeared at the Hatch Shell and in Symphony Hall. Winning MICCA and TAC gold medals attest to the quality of the program. The entire Class also salutes her also for all the little things that you don't receive medals for, but add to the quality of life of Norwood students and residents.

The Norwood High School Band, in its many components, seems to have won a gold medal in every competition that they entered. We congratulate the seniors involved, and acknowledge the leadership of Mr. Chris Holland. Some high points have been two trips to perform in Symphony Hall and a trip to Tanglewood. We all remember the national title that the Jazz Band won in Missouri, and thus also salute Mr. Paul Alberta. Norwood is truly proud of its band and the class of 2001 realizes a big part of "Norwood Pride" stems from the music program. Thank you Mr. Holland.

It is not just about the Super Bowl rings, but that is a great place to start! During our four years on the Hill, Mr. Tom Lamb has brought the football program to the peak, the top team in Massachusetts this season. Yet it is from all the athletes that we give thanks to Coach Lamb. His enthusiasm and caring attitude spread through the whole school; there are no "minor sports" or less important athletes in his eyes. We salute a man who has a commitment to excellence, on and off the fields, and who communicates this to every athlete at the school.

Behind the scenes, many changes have taken place over our four years. Scheduling is an example of this, stretching from the MCAS scheduling (ouch!) to the new mid-year exam schedule (yea!) to the "block" we have worked under. Mr. Joe Katchpole sometimes seems like a vice-president of the USA, out of the limelight. But now we salute him for his quiet competence and his attention to detail. Some of us know him better than others through his interest in athletics, but we all credit him for those little things that made our four years run so smoothly.

The principal sets the tone for the school. In our journey through Norwood High School, we have been led, warned, cajoled, inspired, challenged, punished, congratulated and loved by our principal, Mr. George Useovich. In our accreditation report, Norwood received many positive comments on the quality of the school atmosphere. This reflects directly to Mr. Useovich and his caring attitude. We were lucky to have been students here while he was the principal

The Class of 2001 salutes the people who may have had the greatest effect in our education over the last four years, our parents. Although each of us has an individual special relationship with our own parents, we as a group would take this space to thank you for all the love and understanding, the time and effort, and the caring and sharing that has helped to mold us. As we now graduate, we pause to give special thanks to you!

Scott Roche (81) gets the team going on the sidelines. When Alfred Fincher went down and missed a few games, it was Roche who took his place on defense - and really stepped up. He ended up by leading the team in interceptions.

Captain Jim Martin tallied up Norwood's sixth goal before Walpole added a meaningless goal with just seconds remaining.

Many of the school's most notable choral members lead the cast, such as Alaina Swanson, Kristen Zilfi, Heather Baker, and Hank Stampfl.

Senior captain Julie Ryle led the Mustangs in Game 1, as she served six of Norwood's seven points. But after hanging tough early, Norwood couldn't answer the Tigers in Game 2.

In the first two minutes of the Wellesley game, Mustang senior Jack Dixon set the tempo by nailing three straight 3-pointers to give Norwood a 9-0 lead.

Hitting the Books

Norwood High School Principal George Usevich recognized outstanding scholars of the Class of 2001 by presenting book awards at the annual Academic Awards Assembly in the Lincoln D. Lynch Auditorium. The Harvard Book Award went to Maggie Wyche; Brown to Rob Clifford; Smith to Elizabeth Sweeny; Dartmouth to David Bedar; Williams to Matthew Kozlowski; Wellesley to Christine Dziuba; Holy Cross to Gregory Wright; St. Anselm to James Martinho; Anna Maria to Dasun Peramunage; and UMass/Dartmouth to James Soares. The Mustangs' top setter and a consistent force, second on the team in service points.

D.J. Aurthur got his second assist of the game.

Adam Keister pinned Dedham's Erik Walker at 3:51. Keister led 6-1 with a methodical style that wore Walker out on the mat. Walker did put the Mustang on his back in the first period, but couldn't score any points.

Norwood scored its third goal just two minutes later (2:22) when senior Tommy Griffin extended his goal streak to six straight games off a pass from Andrew Amendola.

The scoring action finally began at 8:50 in the first period when senior Kenny Dargon slipped a lightening quick one-timer past Walpole sophomore goalie Nick Moise.

Fincher also had a tomahawk dunk in traffic in the second half to begin pulling away from the Redmen.

"It's always a big game (with) all the hype," said senior cornerback Pat McGonagle. "The whole town is ready for it. It is especially important for the seniors because it is their last game."

Prospero, played by temporarily blue-haired Dave Collins, was banished from New Milan fifteen years ago and now lives on a magical land with his teenage daughter Miranda, played by Evelyn Seijido, and has become master of the spirits that inhabit this planet called Neo.

Norwood High seniors, the class that made it to the Super Bowl: (Back row, from left): Alfred Fincher, Paul Falcone, Brian Wilson, Dave Hatch, Scott Roche, Andy Roth. (Middle row): mark Shevory, Bob King, Bob Perednia, Sal Calabrese, pat McGonagle, Mike Clement, Jack Dixon. (Front row): Scott Whitcomb, Dan Reen, Mike Mancini, Nick Houston, Darren Keady, Tom Ellard.

Milton looked poised to take the match again in the third game, as the Wildcats jumped out to a 10-0 lead. But Norwood (3-4) clawed its way back once more. Again it was Riley and Baker serving the key points. Riley provided points 8-12 and Baker closed it out with the final four points in another 16-14 win.

Brad Weir got the start in goal and David Gould played the final nine minutes for Norwood, which outshot Wellesley 40-11.

Dixon led the Mustangs on that night and continues to be a focal point, leading the team in scoring for the second straight year.

Showcasing the team's depth, seniors Andy Roth and Colin Ryle came off the bench to score six points each, all in the second half.

Norwood senior Darren Keady's steady play in the absence of starter Paul Falcone was a key to the Mustangs clinching a Super Bowl berth.

After two years as a backup, quarterback Tom Ellard has led the Mustangs to an undefeated season and Saturday's Super Bowl.

Norwood High School recently hosted its fourth annual Homecoming Rally Dance. The highlight of the evening was the announcement of the 2000 Homecoming King and Queen and their court. Superbowl in Twenty Years!!

This year's Mustangs were too much of a powerhouse for the B.S.C. The Mustangs were lead by captains Scott Whitcomb, Alfred Fincher, Dan Reen, and Paul Falcone. The Mustangs finished 12-0, with the best record since 1980. The Norwood Mustangs had a season to remember with a victory over Wellesley at Boston College, a crushing win over superbowl team Framingham, a 14-7 win over a tough walpole team, a victory over rival Dedham on Thanksgiving, and of course a 42-18 win over Whitman-Hanson for the superbowl. The Mustangs also scored 442 points for the season. This is a huge accomplishment that only a few teams have done in Eastern Mass. history. The seniors would like to thank the coaches, the gridiron club, our fans, and wish good luck to next year's team.

In a tough Bay State League, the field hockey team had four All-Stars this year. They are Jaime Barnicle, Lauren Parks, Julie Michalos, and Sam Geary. Improving on last year's record by taking a win from Walpole, this young team consisted of only one senior, Jen Stryer. They placed over Needham and Framingham after losing to them in the Duel Meets. Stryer provided great enthusiasm and consistantly finished third for the team. Lisa Davenport led the team in every meet and would go on to win 6th place in Division 2 and 21st in the All- States. Good Luck to next years' team.

The boys' soccer team started off the season ready to do some damage. But the competition in the B.S.C. prooved to be too overwhelming. They had a lot of spots to fill, since they lost so many seniors from the previous year. Also they were operating under a new coach. James Soars and Joe Marzuolo were the only two players who acheived All-Star status. Other award winners were Andy Dion for Most Improved, Joe Marzuolo for Unsung Hero, and James Soars for MVP. With their first win in a preliminary ame against Taunton, the team was on their way to a game against the number-one seed. The team suffered a heartbreak- g loss to defending state champion Brockton which ended any further tournament hopes. Despite the loss,the team had a reat season. We are together for the last time on this day in June;
no one ever expected graduation to come so soon.
Looking back over four long years,
we've shared our hopes, our dreams, and our fears.
Everlasting memories have been created,
and in our minds these memories will never be faded.
Remember good times and bad times, the laughter and fights,
homework and stress and all the long nights.
We've made friendships and found loves that we hold in our
heart, in our lives these are people that play a big part
As a class there have been many great lessons learned,
and many great achievements that we have earned.
Our time at VHS has now expired;
a new senior class now has been hired
We've done our job and left our mark,
and now on a greater journey we will embark.
As we leave "the school on the hill" behind,
we are anxious to see what destiny we'll find.
One chapter has ended, and a new one has just begun
The past is behind us, the future is yet to come.

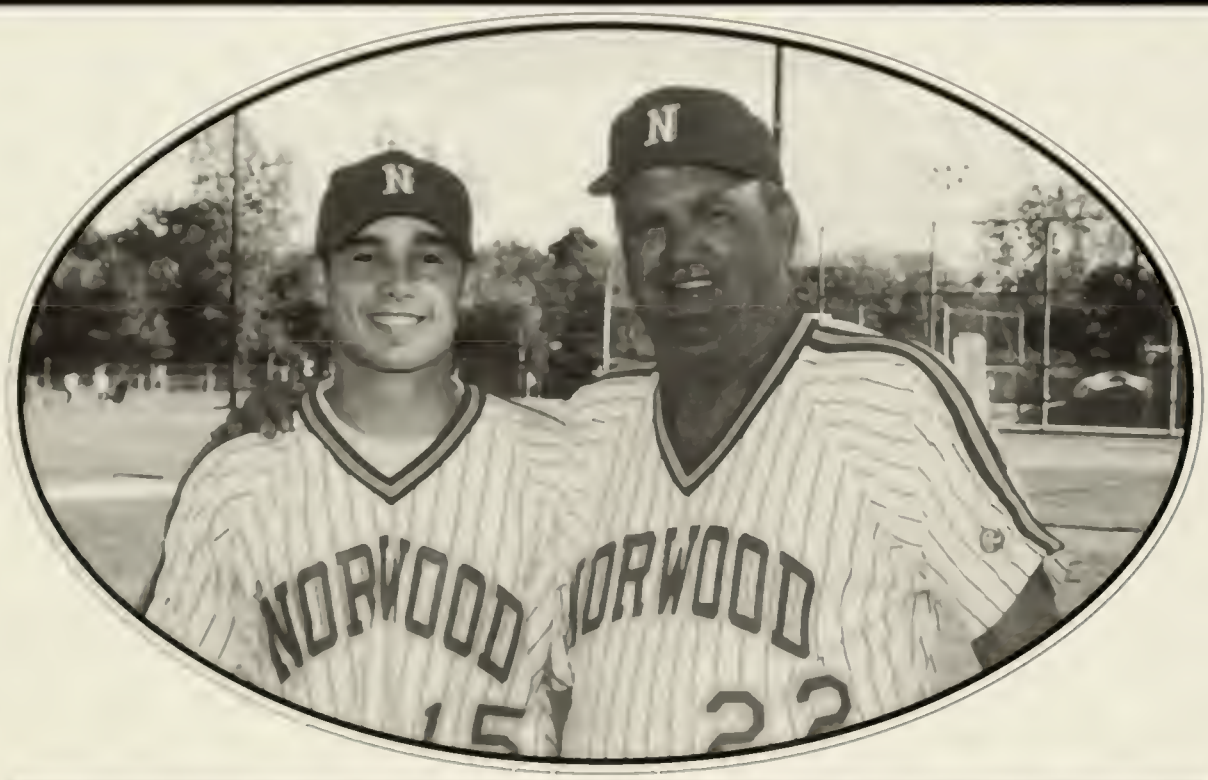
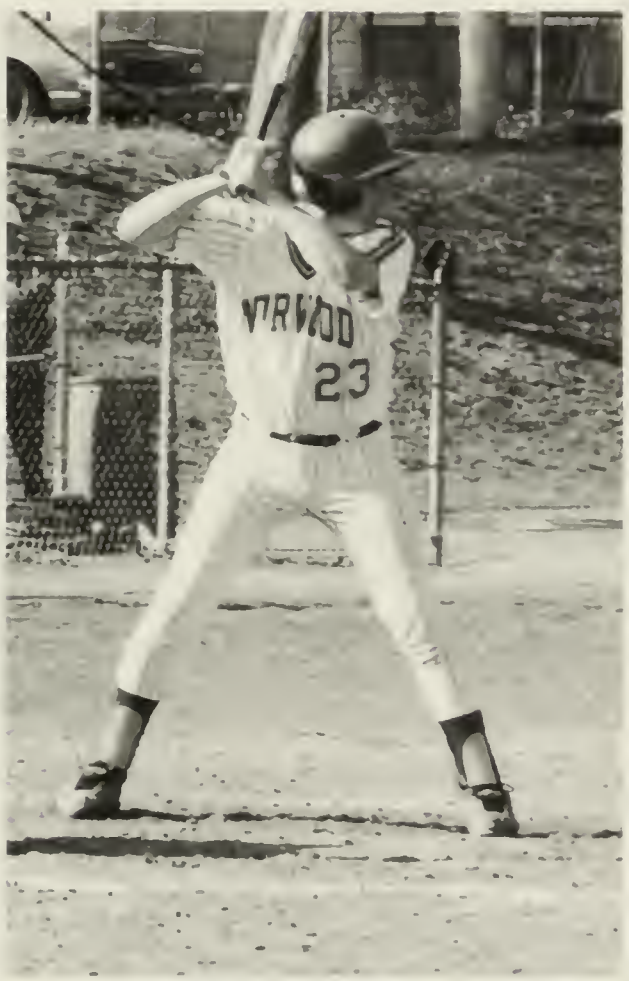
Baseball team earns Coach



Captain Jim Martin and Coach Pete Wall

Back Row: Coach Mike Wall, Jim Martin, Tom Ellard, Richy Fay, Mike Burtman, Scott Roche, Dave Hatch, Sean Whitcomb, Mark Sherwin, Manny Lopes, Coach Janson, and Coach Pete Wall. **Front Row:** Dan Henry, Matt Clement, Dan Harrington, Tom Brett, Sean Murphy, Brian Henry, Pat Foley, and Mike Millet.

Pete Wall his 500th career win!



This year's baseball team continued the Norwood tradition of great baseball teams. Once again they were Bay State League champions, finishing the season with an excellent record. The team qualified for the tournament where they won their first round game against Walpole. However, the season ended all too quickly for the Mustangs when they eventually lost to tournament champion B.C. High.

Although the season did not end on a good note, there were many positive points in the season,including Coach Pete Wall's 500th career win. The team was led by two-year captain Jim Martin who was voted as MVP and who also earned the honor of Globe All-Scholastic. Pat Foley was also a league all-star. The seniors would like to express their appreciation to all the coaches and to all the fans who supported them through this memoriable season. They would also like to to wish next year's team the best of luck.

Once again, the Girls' Softball team

Coach Kathy Smelstor, Captains Kelly Flanagan, and Courtney Harris, and Assistant Coach Bill Riley.

Back Row: Coach Smelstor, Amanda Harris, Kate Drummey, Kelly Flanagan, Courtney Harris, Jaime Barnicle, Lindsay Beck, Assistant Coach Bill Riley. Front Row: Maggie Thompson, Kaylee Hargreaves, Casey Tinsley, Liz Sullivan, Maura McCorkle, and Kerin Sullivan.

makes it into the tournament!

The Girls' Softball team had a strong season with an overall record of 13-7. They lost in tournament to King Philip High School.

The season was highlighted with big wins over Walpole, Holliston, and Braintree. Kelly Flanagan was the league's M.V.P. and Courtney Harris was selected as an all-star.

The team will certainly miss Drum, JayMayBay, and Flan---. A strong returning group should be ready for an excellent season next year.

Injuries hamper efforts of

Tri- Captains: Lauren Parks, Marisol Rios, and Michelle McLaughlin, and Coach Shawn Famigletti

Back Row: Alison Guglietta, Tonya Lowe, Lauren Balerna, Kelly Simpkins, Lauryn Serratore, Lindsay Harris, Kathleen Cole, Kathryn Sweeney, Sam Geary, Meghan Staffiere, Jamie Laughlin, and Coach Fam. Front Row: Stephanie Simon, Molly Hayden, Lori Tower, Raquia Alison, Lauren Parks, Marisol Rios, Michelle McLaughlin, Liz Fleming, Lisa Samargdelis, and Maria Giampa

young girls' lacrosse team.

Losing eight seniors from last year, the Girls' Lacrosse team entered a rebuilding season. Lead by tri-captains Marisol Rios, Michelle McLaughlin, and Lauren Parks, the team had high expectations, hoping to make the tournament. The long season began to take its toll on the team when many key players were side-lined due to sickness and injuries. However, many of the younger players got their chance to shine. The team worked hard all season long with hopes to make the tournament, however, their hopes were crushed. This year's MVP was Meghan Staffiere, Unsung Hero was Liz Fleming, and Most Improved was Lindsay Harris. The seniors would like to wish next year's team the best of luck! BEAT WALPOLE!!!!!!!!

Volleyball Team makes state tourney

Tri-Captains: Greg Wright, Dave Powell, and Scott Murray

Back Row: Jun Choi, Bol Anyuon, Sergio Petrillo, John Houle, Dante D'India, Mike Murphy, Ted Woodard, Dimitri Antonopolous, Coach Joe Cammozzi. Front Row: Greg Wright, Dave Powell and Scott Murray.

for the first time in school history!

Led by tri-captains Greg Wright, Scott Murray, and Dave Powell the volleyball team finished with a 12-8 record and made the state tournament for the first time in school history. Senior setter Greg Wright and junior outside hitter Dave Powell were named First Team Bay State League all-stars. Junior middle hitter Dante D'India was named a second team all-star. Seniors Sergio Petrillo and Dave Bedar also made valuable contributions as did juniors Ted Woodard, Mike Murphy, Demetrius Antonopoulos, Jun Choi, and sophomore John Houle. Greg Wright and Dave Powell were named team MVP's. The team would like to thank Coach Camozzi and Coach Kane for all of their efforts. The seniors would like to wish next year's team the best of luck!

Seniors End their Reign of the Past

Captain Alfred Fincher, Captain Brian Wilson, Coach Jim Forest, Captain Joe Marzuolo, Captain Dan Reen

Back Row: Coach McGraw, Kenny Sheehan, James Cusamano, Dan Kane, Mike Taylor, A.J. Shack, Taylor, Matt Young, Steve Le, Jamie Kinson, Chris Kinosian, Chris Reilly, Jerome Conner, Jean Gates, Jason Rousseau, Tess Hach, Mike Carolone, Mike Grant, Bob Patterson, Tony Kirkpatrick, Dave Ribastas, Mike Carlin, B.J. Four Years with a 27 and 1 record.

This year's boy's Spring Track team was lead by Captains Alfred Fincher, Dan Reen, Joe Marzuolo, and Brian Wilson. The team was looking for one final bang with this year's season, but after suffering a major loss to Natick their hopes were shot. Captain Brian Wilson placed first in both the javelin and discus at the conference meet. He went all the way to the National's in the javelin. The stangs also sent 9 of their players to sectionals. Their 4x100 relay team of Tom Griffin, Alfred Fincher, Dave Rukstalis, and Mike Grant, their 4x400 relay team of Joe Marzuolo, Chuck Drummey, Rob Clifford, and Teddy Michalos, and lastly their javelin thrower Brian Wilson. Teddy Michalos also ran the 400, and Joe Marzuolo, the pole vault. The stangs had an unbelievable season ending it with a 6 and 1 record, winning all their meets but one by more than 25 points. This year's seniors would like to thank Coach Forest and Coach McGuire for the season, and also they would like to wish the best of luck to next year's team.

Girls' Track Ends a Great

Captain Katie Manley Coach Hank Shacoy, and Captain Jen Stryer

Back Row: Coach Mel Gongo, Allison Sweeney, Jennie Amsterdam, Lauren McFarland, Kevin Reeds, Jana Hart, Allison Costello, Theresa Jones, Dana Compagnino, Jana Rasmussen, Kim Gardner, Emily Howard, Michaela Powers, Kristen McQuaid, Erin McKay
Standing: Marcus, Mallori, Jana Mahoney, Tracy Mohamed, Tracy DeNeen, Vanessa Van Doren, Kerry Tenaglia, Jessica Lee, Kyle Green, and Marie Rasay

Season at 4-2 in the Bay State League

This year's girls track team must have been a very pleasant surprise to Coach Shacoy. Not much is usually expected out of a team composed of mainly underclassmen, but this year's team definitely proved that theory wrong. This year's team ended the regular season with a 4-2 record, which was a great improvement from last year. The team had a fine showing at the Baystate meet with Erin McKay taking first in the league in the javelin. The team also had a fine showing at the Class B meet, where Lisa Davenport, Katie O'Shea, Diana Constiantino, Vanessa VanDoren, Erin McKay, and the 4x1 team of Shay Ryan, Kyle Grassi, Tracy Lyons, and Meghan Nemes all qualified. This year's team will lose four seniors but will fortunately keep all the young talent. The seniors would like to express their appreciation to the all the coaches for all their hard work and dedication and would also like to thank this year's team for making their last year a very special one. But most of all they would like to thank Jen Stryer for all her emotional speeches and would like to wish next year's team the best of luck.

Girls' Tennis wins 25% more

Captain Stephani Nguyen, Coach John Soloman, and Captain Natasha Rabinovich.

Top row: Alice Chen, Assenia Djatova, Wendy Pray, Stephanie Nguyen, Natasha Rabinovich, Rebecca Ransom, Shannon-Kate Fitzgerald, Helen Le, and Coach Solomon
Back Row: Stephanie Meiler, Lydia Lumbreben, Kristen McColgan, Katherine Danaher, Stepahnie DeFonte, Julia Berdichevsk, Vicky Pray, and Rachel Reid

games than last year!!!!

This year's girls' tennis team suprised many people with a complete turn around season. Although the team only had four upperclassmen, they ended the season with a 5-15 record improving from an 0-15 record the previois year. This year's team fought hard 'till the end of every match, often times losing by a score of 2-3. The team will lose two valuable seniors next year, Natasha Rabinovich and Rebecca Ransow but with their young talent, they should continue to improve. The seniors would like to express their appreciation to the team for all their hard work, would like to thank Coach Soloman, and would like to wish next year's team the best of luck.

Boys' Tennis Beats Rivals From

Also lead by #1 singles player, Chip Jama, the team consisted of mainly seniors winning 7 key matches. The team had a very close chance to make it into the tournament but unfortunately lost to Dedham. The team wil be losing seniors Dave Gould,Ryan Doneghey,Chip Jama, Joe Killion, and Andrew Killion. The team also had some help from three underclassmen, Dave Aspro, Luis Mendizabal, and Brian Riley. Next year's captains are Brian Riley and Luis Mendizabal.

Graduation

Class Will

We, the members of the Norwood High Class of 2001, being of relatively sound mind and body, do hereby acknowledge this document to be our Last Will and Testament:

1) The Class of 2001 leaves Mr. Usevich a can of air freshener and a gift certificate to Dominos to deal with any future "sewage leaks" in the cafeteria

2)The Class of 2001 leaves Mr. Katchpole a video camera to leave in the back parking lot, so he can catch all the kids throwing snowballs.

3)Tom Ellard leaves Mrs. Decoste a can of plaster to repair the hole he left in school store wall.

4)The class of 2001 leaves this challenge to all underclassmen:
12 all-star drama cast awards, 3 technical awards, 6 gold and 1 silver musical performance awards, 5 bay-state titles, nationa cheerleading final appearance, south sectional hockey finalist, Fleet Center basketball appearance, and a football Superbowl victory.

5) Tracy leaves Jerome, Mike leaves Jill, Matt leaves Hanna, and Rob leaves Meredith, but Bob leaves only to return at 2:18 every day with a bottle of Poland Spring to pick up Marrisa.

6) The senior boys leave. Sorry sophomore girls, looks like you have to hang out with your own grade now.

7) Mr. Shinick leaves to become the new Vice Principal of the Jr. High. Hopefully the kids down there are smart enough not to get caught copying the wrong test.

8) Jimmy Lafferty leaves, passing on his dancing crown to little Dave Powell

9) Mark Shevory leaves one final cheer for Pat Meade. (HOW'S YOUR BACK?)

10) Mr. Cook leaves to become the new Principal at the Jr. High. The class of 2001 wishes him the best of luck.

11) The class of 2001 leaves, still wondering what really goes on down in the band room.

12) Mike "Spielburg" Manemi leaves, still chasing after people to go to Lip Sync.... And Brenda Welch

13) The class of 2001 leaves Mr. Rooney and Mr. Morris the best of luck in their retirement

14) The class of 2001 leaves Mrs. Derrane a pair of Baby Gap pants that both her and "little" Paul can wear
